THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

DOCKET NO. 2011-515-W - Application of Utilities Services of South Carolina, Incorporated for Approval of a Water Supply Agreement with York County, South Carolina - Discuss this Matter with the Commission.

COMMISSION ACTION:

In September and early October, this Commission received correspondence from Representative Norman, Mr. Jim Knowlton and counsel for USSC regarding information that the Foxwood Homeowners were in the process of getting a legal opinion as to the options available for service and exploring costs associated with such options. While the utility urged the Commission to rule on the case which was heard in hearings during April and August, Representative Norman and Mr. Knowlton requested the Commission to delay its decision in the case. Almost three and one half months have now passed since the second of the two hearings in this case. Therefore I move that we request an update from the Office of Regulatory Staff be filed by December 31, 2012, regarding the status of the Foxwood Homeowners' efforts to explore options available for service, and request that the ORS inform the non-parties, Representative Norman and Mr. Knowlton, of this action.
